

Technical Lead - C#

Location:	Cape Town
Remote work:	Some remote work allowed
Type:	Permanent
Reference:	#BRM57106
Company:	E-Merge IT Recruitment

Are you skilled in crafting, planning, directing, and implementing technical solutions within a fast-paced environment? If so, this exciting opportunity at an innovative entertainment establishment could be the ideal fit for you.

As the lead for C# technical endeavours, you'll have the opportunity to utilise your expertise in an ever-changing environment, enhancing the productivity of your team and actively contributing to both new and ongoing projects. In addition to the rewarding work itself, enjoy the flexibility of a hybrid work model, providing the work-life balance you've been searching for.

If you're ready to take on the role of a technical Lead in a stimulating setting, seize the opportunity and apply now!

Skills we're looking for:

- C#
- .NET Core
- RESTful API
- Web API
- Azure (essential)
- SQL

Are you qualified?

- Seven + years' experience working in a software development environment
- Two + years' experience with leading a team

The reference number for this position is **BRM57106** which is a **permanent hybrid** position based in **Century City, Cape Town** offering a cost to company of up to **R1.8m per annum** negotiable on experience and ability. Contact Bryce at brycem@e-merge.co.za or call him at 011 463 3633 to discuss this and other opportunities.
