

# Top four mobile app development companies in Nigeria

 By [Nkem Ndem V](#)

2 Nov 2015

The persistent rise in the use of smartphones and tablets within the country has led to a mobile revolution in Nigeria. Essentially, people - business and individuals - now tend to seek mobile solutions and thus, enhancing the growth of the mobile app development industry.

While there is already a long list of both old and budding mobile app development companies as well as freelancers, quality and excellence has marked out a few dedicated mobile app developers and put them on the top Jovago.com's list of mobile app companies in Nigeria.

## Pixie Technologies

Pixie technology is a top-notch mobile app development company based in Lagos, Nigeria, that specialises in user experience design and mobility, creating value-added mobile apps on various platforms for the specific needs of the user.
