The most music. Feel great.

The feature has been refreshed to *The Love Song Lockdown*, with host Brandon Leigh adding even more love songs and engaging conversation to provide an escape during the lockdown period.

"*KFM Nights with Brandon Leigh* is very popular with our audience. During the lockdown period we have noted an increase in new listeners who have found Brandon and enjoy the show for its ability to provide entertainment, escapism and feel great moments so needed at this challenging time. Listeners enjoy the opportunity to share dedications, vote for their favourite tunes and relive their memories whilst listening to the best mix of slow jams", said Stephen Werner, KFM 94.5 station manager.

This week, *The Love Song Lockdown* will kick off the first of a series of signature 'stay-in date nights' for which Brandon Leigh will be the conduit.
