Many challenges we faced in 2020 have been unprecedented and it's no surprise that Hot Cares, the community initiative Hot 91.9FM, has been overwhelmed by the desperation within our community. Hot 91.9FM is dedicated to making our biggest priority to touch as many lives as possible through community outreach. In the past we have awarded bursaries at levels of education, assisted those in need of medical attention and helped victims of unforeseen, life-changing circumstances and now more than ever, we need to assist as many families and shelters who have had to face their biggest challenges and financial blows. In order to continue doing this, we need to raise vital funds through initiatives like our Hot Cares Teddython.

You can donate on the day, visit our website www.hot919.co.za and donate online or come through to Papachinos and donate in person (snapscan and credit card facilities available).
