Selected Events per region:

Thirst has been doing up to 50 events a week countrywide here is a selection from each region:

Johannesburg:

The launch of the new Hushpuppies shoe range

Thirst assisted with the launch of the new Hush Puppies shoe range. The bartenders were dressed in a Manhattan, speak easy style and Thirst served up classic, speak easy cocktails to suite the style of the new classic vintage range of Hush Puppy shoes. Menus were designed as old newspapers and the bar was designed by Dokter and Misses and set the tone an unforgettable experience.

Randlords

Thirst once again threw one of the parties of the year at the gorgeous venue, Randlords venue, with amazing views of the city from every angle, friends, clients and suppliers all attended this glamorous, chic event. This party once again illustrates why Thirst is known as South Africa's "premium" mobile bar service.

Durban:

Thirst Durban has been in full swing over the last couple of months running nine separate tents at the Durban July as well offering mobile bar solutions for six stands at the Taste Festival.

Please note our Durban branch will be moving to new offices, in September, which will include a new training facility. The address is as follows: Unit 3b Thynk Park Riverhorse Valley, opposite Builder's Warehouse.

Cape Town

The Cape Town branch has grown at a rapid rate and this has not gone unnoticed. Without the support of all our clients and suppliers in Cape Town we would not be where we are today.

So as a thank you to all of them, we decided to throw a "thank you event", where instead of our clients stressing, we made

the night all about them. Clients and suppliers received, Welcome cocktails, goodie bags and scarves for the ladies.

Paul Snodgrass was the MC and DJ Sox and Vanessa Holiday were on the decks helping entertain everyone.

The turnout was amazing with over 300 people attending. Thank you to the gorgeous venue, Jackal and Hide, for helping to host the event and providing delicious canapés for all attending.

We hope everyone enjoyed themselves and thank you once again to everyone who has helped Thirst Cape Town to the forefront of Cape Town's mobile bar industry.
