

The 2023 Trophy Wine Show winners announced

The presentation of trophies and gold medals for The 2023 Trophy Wine Show - brought to you by Investec - was hosted at Delaire-Graff on 8 June 2023. This was the first of the competition's 22 awards functions to be hosted in the Winelands rather than in the Mother City.

The judging took place in May where the judges (including Jancis Robinson MW OBE, Anne Krebiehl MW and Benjamin Roffet, who were flown to South Africa especially for the event) and associate judges reviewed 688 wines.

Their deliberations yielded 19 best-in-class trophies including 4 Museum Class trophies, from 32 gold medals, 86 silver medals and 320 bronze awards. With 36% of wines receiving no medal at all the show continues to remain true to its objective which is to be the most rigorous wine competition in the world. As many of South Africa's producers have ruefully admitted – "a medal, any medal, at the Trophy Wine Show is an achievement to be proud of."

This is the second year the show has enjoyed headline sponsorship by Investec – whose private bank has been judged the Best Private Bank and Wealth Manager in South Africa at the Financial Times of London's Global Private Banking awards. The partnership unites Investec's visionary "Out of the Ordinary" approach with the competition's commitment to identifying South Africa's best wines.
