

## Gorilla, Joe Public United jog to Loeries for a good cause

Durban-based digital agency Gorilla has joined Joe Public United on its 700km jog from Johannesburg to the Loerie Awards in Durban. The One Stride at a Time initiative is aimed at raising funds for One School at a Time - this year's fundraising efforts have been set at R1m.

One School at a Time is Joe Public's non-profit organisation and CSI initiative focused on creating a proper solution for education in South Africa. It currently supports two non-fee-paying township schools, in Soweto and Diepsloot respectively.
