

See: New Toyota Hilux GR Sport

Toyota South Africa's GR product roll-out continues with the Hilux GR Sport. Engine outputs have been increased to 165kW and 550Nm.

Custom exterior design with GR-Sport front grille treatment leather/alcantara interior trim with distinctive GR accents, wider over-fenders, and a black exterior-trim package 17-inch alloy wheels with 265-65-R17 tyres.

Following the inaugural model in 2019, the 2022 Hilux GR Sport is the second GR generation of South Africa's best-selling vehicle. It has a unique design and dynamic features that set it apart from its stablemates and put the Hilux GR-S as the range's star model.
