

Black Twitter: Real and reported on, live from the US

NEWSWATCH: Some think it's a joke, others take offense at the mere mention. The *LA Times* takes 'Black Twitter' so seriously it's just added a reporter to cover the topic.

As always, the real brief is more complicated than the headlines that comment on the [implied demographic issues](#) - the *Los Angeles Times*' new 'Black Twitter' reporter will also cover the online communities of Black [Medium](#), Latino Tumblr, and Black Tumblr, [adds the Washington Post](#).
