Ornico is delighted to announce a new and more diverse panel for the launch of the SA Social Media Landscape. The thought leaders we have consulted with and added to the panel will bring a positive and more inclusive perspective to the growth and trends discussions on social media in South Africa.

We have engaged with some of the most influential and knowledgeable industry thought leaders who understand the growth of brands and their digital marketing strategies. These highly esteemed speakers, researchers and analysts will offer a broad array of insights and expertise from their interactions with brands.

The poster is orange with white text. It features the Ornico logo (a stylized 'i' with a red swoosh) and the WorldWideWorx logo (a stylized 'W' with a sunburst). The main title is 'SOUTH AFRICAN SOCIAL MEDIA LANDSCAPE 2020 LAUNCH'. Below this, it says 'Join Ornico, WordWideWorx and their collaborators for the launch of the South African Social Media Landscape 2020.' and 'This online event will cover some of the latest South African statistics across leading social networks and brand spend forecasts by some top brands and agencies.' The date and time are '10 June 2020 @ 10am' and the RSVP link is 'https://jo.my/sml-launch'. It also says 'For updates follow #SocialSA2020'.
