The Creative Circle Full Circle provides an inspiring showcase of the top trends, insights, and award-winning work from the Cannes Lion Festival of Creativity 2023.

Since its inception in 2018, the Creative Circle's Full Circle event has grown from strength to strength, culminating in last year's best-attended and most inspiring event so far. This year purports to be even better.

The Creative Circle's key purpose is "to inspire the transformation of product, people and perception through the power of creativity" and the Full Circle event 2023 once again brings the industry and marketers together to discuss creativity and its role as a powerful and effective business resource.

"We are looking forward to inspiring the industry yet again and imparting insights and trends that make South African creativity roar," says Roanna Williams, chief creative officer, Net#workBBDO and Creative Circle chairperson.

Cannes Lions 2023: SA's Tseliso Rangaka named as a Cannes Lions jury president

12 Jan 2023

"I'm excited about judging at not only the 70th, but the most well-represented Cannes Lions awards show ever," says Twala.

"And in the age of AI, gaming and Tik-Tok challenges the opportunity to celebrate creativity thriving in print is such a privilege to share.", he adds.

After the event there will be opportunity for networking and discussion in a convivial environment over snacks and drinks.
