

Sanedi appoints Stalin Ndlovu as senior advisor

The South African National Energy Development Institute (Sanedi) has appointed Stalin Makhosini Ndlovu as its senior advisor for measurement and verification (M&V). He assumed the role on 1 January 2020.

Ndlovu is an electrical engineer with over seven years of experience in the energy sector and he is a certified measurement and verification professional (CMVP) and certified energy manager (CEM). He was recently employed at the University of Johannesburg as a SANAS-accredited technical signatory for SANS 50010 under SANS 17020.
