

# Local HubSpot User Group reports on US HubSpot Inbound Conference

The Cape Town and Johannesburg HubSpot User Group (HUG) will report back on the annual HubSpot Inbound Conference, taking place from 8-11 September this year in Boston, US...

Hosted by leading marketing automation providers HubSpot, the conference features training sessions, workshops, networking opportunities, talks by inbound marketing experts and keynote addresses by some inspiring speakers, including Seth Godin and Brené Brown.

The conference will see the launch of the group's new marketing automation features and training on how to use these tools effectively.

MPULL co-founders Daryn Smith and Graeme Wilson, from South Africa, will be attending the conference and sharing what they have learnt at the Cape Town and Johannesburg HUG events.
