## ■ ***How did you find the process of being on *The Voice*?***

It was very scary at first. I was surrounded by incredible, established musicians. I felt like a fish out of water. I got a little more confident every day though. I just opened myself to learning as much as I can.

From top of his class to top 6 in *The Voice SA*!

## ■ ***What was it like working with Kahn Morbee?***

It was amazing. I was a little intimidated in the beginning. But he is such a cool guy. I learned so many valuable lessons from him which still stand me in good stead after the show.

## ■ ***How did you find the recording process?***

It was amazing. I got to work with amazing producers. It was surreal seeing my songs come to life

■ ***If you had to describe *Restless* as a meal, what would it be and why?***

Pizza! It's accessible and there is something for everyone. The album is young and fresh and youngsters love pizza.

■ ***What's your favourite track and why?***

*They Don't Really Care About Us*; it came from a really personal place and closely resembles the kind of music I listen to.

■ ***Who are your musical heroes?***

Queen, Lorde, Kanye West

■ ***What's your guilty pleasure when it comes to music?***

I love sad music. The sadder the better! Artists like Lana Del Rey or Evanescence.

■ ■ ***Tell us something that nobody knows about you.***

I love trance music and trance music festivals. It's where I go when I need to get away.

■ ■ ***What's next?***

Touring the album and just honing my skills as a performer. I would also like to do a number of collabs across genres. I also want to write for other artists.
