After falling sick on Saturday, the hip-hop DJ was rushed to the hospital. After a sudden brain haemorrhage, the entertainment pioneer unfortunately died, according to family spokesperson Shekeshe Mokgosi.

"We would like to be given time to grieve as the family is still coming to terms with the news. We confirm that he succumbed to a brain haemorrhage, unfortunately we can't share any more details as we are requesting privacy during this difficult time," Mokgosi said.
