iPhone 8 (Product)Red special edition

In a statement, the company mentioned that both phones sport a glass enclosure, now in red, with a matching aluminium band and a sleek black front.

According to Greg Joswiak, Apple's vice president of product marketing, this special edition (Product)Red iPhone also offers customers the opportunity to make an impact in fighting the spread of HIV and Aids.

"iPhone 8 and iPhone 8 Plus improve on everything we love about iPhone, including Retina HD displays that are more beautiful than ever, the most powerful and smartest chip ever in a smartphone with the A11 Bionic and more advanced cameras for unbelievable photos and videos," said Joswiak.
