

WOO Toronto 2020 Congress cancelled over coronavirus

The World Out of Home Organisation has cancelled its Toronto 2020 Congress in response to the novel coronavirus and travel restrictions. The congress was scheduled to take place from 3 to 5 June 2020.

"Covid-19 is now officially designated a pandemic by the World Health Organisation and is impacting Out of Home companies worldwide. Therefore, we had no option but to cancel our June gathering and postpone it to 2021," said WOO president Tom Goddard.
