

SABC, MICT Seta start internship programme

The SABC (South African Broadcasting Corporation) and MICT Seta (Media, Information and Communication Technologies Sector Education and Training Authority) will open its 2018/19 internship programme as the learners who participated in its 2016/17 learnership programmes graduate.

Funded by MICT Seta, the internship programme will grant opportunities to 300 graduates who have never had work experiential learning or work exposure. The participating interns will be placed in various departments across the SABC.
