We are seeking a talented video editor to join our rapidly expanding team, to assemble recorded footage into a finished product that matches director's vision and is suitable for various platforms. You will play a crucial role in producing high-quality video content that aligns with the various brands we work with. This position offers an opportunity to grow as part of our dynamic team, gaining hands-on experience in video production, storytelling, and digital marketing in a collaborative environment.

Ultimately, as a film and video editor, you should be able to bring sight and sound together to tell a cohesive story.

Responsibilities will include but not limited to:

- Trim footage segments and put together the sequence of the film.
- Input music, dialogues, graphics and effects.
- Create rough and final cuts.
- Colour grading of footage.
- Ensure logical sequencing and smooth running.
- Work with team from concept to final delivery.
- Creative mind and storytelling skills.
- Review shooting script and raw material to create a shot decision list based on scenes' value and contribution to continuity.
- Media management of raw shoot footage and archiving of projects.
- Continuously discover and implement new editing technologies and industry's best practices to maximise efficiency.

Required:

- Creativity: A passion for video creation and storytelling, with a keen eye for visual composition and aesthetics.
- Technical skills: Expertise in video editing software such as Adobe Premiere Pro & Da Vinci Resolve
- Basic knowledge: Familiarity with camera equipment, lighting setups, audio recording and scripting writing.
- Strong communication: Effective written and verbal communication skills to collaborate with team members.
- Time management: Ability to prioritise tasks and meet deadlines in a fast-paced environment.
- Adaptability: Willingness to learn and adapt quickly to changing demands and feedback.
- Thorough knowledge of timing, motivation, and continuity.
- Creative mind and storytelling skills.
- Proven work experience as a video editor.

Qualifications and work experience:

- Five years of work experience in video editing

A showreel of previous work demonstrating video production and editing skills is essential.
