Ciclope, hosted annually in Berlin, Germany, is the leading international festival and awards ceremony that recognises and rewards exceptional craft in moving image. For the past eight years, Ciclope has provided a platform for directors, creatives, artists, producers and brands to celebrate exceptional work, share knowledge and be inspired.

Ciclope has been hosted in major cities including New York, Los Angeles, Sao Paulo, Sydney and more.

One of the biggest drawcards of the festival is that the Ciclope Africa Grand Prix winner, as well as the best entry in each category, will not only receive an automatic entry to the flagship festival hosted in Berlin later this year, but also be included as a shortlist winner at the international festival.
