

Africa's first Comedy Central International Comedy Festival

Africa's first Comedy Central International Comedy Festival will take place at the Silverstar Casino, Johannesburg, from 26 November - 5 December 2015.

Comedy Central (Africa), in association with creative director and South African comedy producer and entrepreneur, Ryan Harduth, produces 'The Comedy Central International Comedy Festival Brought to you by Savanna'. The show will present African and international comedy stars including Trevor Noah, Jeff Ross, Schalk Bezuidenhout, Goliath & Goliath, Basketmouth and Salvado.

"In the sharp-witted world of Savanna, with its signature dry take on intelligent humour, bringing these giants of local and international comedy together is a triumph for us," says Marcel Swain, Savanna South Africa Marketing Manager.

Tickets to the festival are available at Computicket priced from R120 to R650. For more information, go to www.comedycentralafrica.com.
