

Changing industries, communities and countries

Endeavor, the global non-profit organisation which supports high-impact entrepreneurs in developing countries, invites budding and established entrepreneurs to hone their skills at its first annual conference on 29 August 2006, in Sandton, Johannesburg. Guest speakers include Edgar Bronfman of Warner Music Group, USA and Adrian Gore, CEO of Discovery. For more info, contact Tania on tel +27 (0)11 233 0000, email or go to www.endeavor.co.za.
