

Comment crossed the line?

NEWSWATCH: In his response to Radio 702's Yusuf Abramjee's complaint about a leader article published in *The Times*, Joe Latakomo sets out the issues in *Times Live*.

For more:

- *Times Live*: [THE BIG READ: Comment crossed the line...](#) In his response, Latakomo writes (amongst a great deal more): "Accuracy is undoubtedly the major essential in all journalism. It is so in both reports, and in comment and opinion." He goes on to say that "above all, journalists must always be fair and honest in their reporting and dealings with those with whom they interact."
