

New opening for Kauai

(L-R): Kenneth, Pat and Nkosi Mkombe with Daniel, Barry and Carol Meyer

Fast food health store, Kauai opened its 95th store country wide at the Somerset Mall, Somerset West, last week. This store will be offering the full concept menu as seen in malls like Cavendish Square and Constantia Village. The store will be owned and run by local best friends Daniel Meyer and Nkosi Mkombe. Meyer's parents - who along with their other children run special schools around South Africa - realised that Meyer and Mkombe had a passion for food and service and decided to pool their funds and help the boys realise their dream of owning a health food restaurant, and purchased them the Kauai Somerset West Franchise.
