

Diageo SA staff members to do their bit for Mandela Day

To do their bit for Nelson Mandela Day, members of staff at Diageo SA dedicated their 67 minutes to build houses with Habitat for Humanity in Orange Farm and feeding the less fortunate with Meals on Wheels at the Thabo Mbeki settlement in Johannesburg. Diageo SA staff members use the funds that they collect in their VEO Community Fund, an employee-led charitable initiative that is funded by their personal contributions from their monthly salaries and matched by the company, to assist in similar activities throughout the year.

To thank them for their selfless dedication, Diageo SA treated its staff to a performance by Cassper Nyovest at its headquarters in Waterfall City, Midrand.
