

Mbuso Khoza officially named Content Nation Media CEO

Having served as the company's acting CEO since March 2018, Mbuso Khoza has officially been named Content Nation Media CEO. Under Khoza's leadership, the business has undergone several ground-breaking developments, such as the repositioning of the *Glamour* and *House & Garden* magazines.

Khoza, who has a strong FMCG marketing, strategy execution and project management background, was previously the group executive of Independent Media's lifestyle division.
