

567 CapeTalk, BP Express present Moonstruck 2012

Moonstruck 2012 presented by 567 CapeTalk and BP Express was a wonderful evening of dancing in the sand on Clifton 4th beach.

With a live session band bringing listeners their favorite Solid Gold hits, Capetonians were encouraged to bring along their picnic baskets, kick off their shoes and celebrate an evening of good music at the picturesque Clifton 4th beach.

BP Express provided shuttles from the designated parking areas to the beach and the "Can do Crew" helped people carry their picnic equipment to their chosen spots - all free of charge.
