The Samsung #GALAXYexperience was in full swing at the G&G Live Marquee, attended by a host of the most stylish and fabulous guests, celebrities and party-goers who came to see and be seen at this year's Vodacom Durban July.

Featuring a VIP area, arguably the most comfortable and beautiful setting in the marquee village, guests spent the day relaxing and hoping lady luck was on their side as they watched the races commence on a massive television screen, which made you feel like you were right in the middle of the action. Not only did the Samsung #GALAXYexperience provide a great atmosphere for all who attended, there were loads of goodies given out to the lucky owners of Samsung Galaxy handsets in a fashion inspired area at the entrance of the marquee.

The DJ's were on fire from the minute the entrance to the marquee opened with a stage production that was perfect for the vibe. People danced the evening away to great sets from Gareth Cliff, Sp!ndoctoR, DJ Fresh and Roger Goode. Mafikizolo even made a guest performance, surprising guests and heating up the party as the sun went down.

All in all, another successful Samsung #GALAXYexperience took place over the weekend at the G&G Live Marquee leaving guests in awe of the sheer brilliance and the best party atmosphere at the Vodacom Durban July this year.
