

See: Leoka Engineering donates winter uniforms to schools as part of its Winter Drive

Leoka Engineering and Anglo American ran a Winter Drive on 15 June. Rustenburg's Bothibelelo Primary School, Khayaletu Secondary School, Motlhare Mokaute Secondary School, B.F. Morake Primary School and Monakato Primary School received winter uniforms to prevent students from missing classes due to bad weather. Learners also received new school shoes and tracksuits.

Youth Month highlights the economic damage done to marginalised groups, especially underprivileged children in South Africa.
