

Applications open: Photographer in Residence 2011

GRAZ, AUSTRIA/JOHANNESBURG, SA: The Salzburg International Summer Academy of Fine Arts (ISBK) will continue its residency programme for photographers in 2011, which is a cooperation of the Summer Academy, Camera Austria, Graz and the Market Photo Workshop in Johannesburg.

The Salzburg International Summer Academy of Fine Arts will host a Photographer in Residence from 14 to 28 August 2011. The photographer will explore the Summer Academy and its context and will develop and carry out a photography project dealing with the Summer Academy, the courses, the locations, the surroundings, the atmosphere, and the city. The photographer is required to present his/her project at "lunchtime talks" during the residency, and at the end of the project, handover an edit of the project to the ISBK. These requirements will also apply in South Africa. The project partners will cover all costs of the residency, mentioned above.

The residency is open to all students and alumni of the Market Photo Workshop. Selection is by complete application only.

Requirements:

- One page project proposal (keep in mind project brief above)
- A single PDF file of 20 photographs of previous work (no more than 5MB)
- CV

All applications to be emailed to Molemo Moiloa (Molemom@marketphotoworkshop.co.za) by 3pm on 28 March 2011.

A briefing session on further information about the residency and application requirements will be held on Wednesday 9 March at 1pm at the Market Photo Workshop. All are welcome.
