

# New Suzuki Jimny is on the way, and we just want to pinch its cheeks

By [Loz Blain](#)

22 Jun 2018

Suzuki has released the first images of its upcoming new Jimny 4x4 ... and it looks like an adorably baby-faced take on a mini G-Wagen. Bug-eyed, tiny and boxy, all it needs is the roof off, four ridiculously good-looking male models and some [orange mocha frappuccinos](#).

The new Suzuki Jimny looks like it should cross the road holding a G-Wagen's hand (Credit: Suzuki)

Where Mercedes' [G-Wagen](#) screams "rugged utilitarian gravitas," Suzuki's upcoming two-door Jimny 4WD takes a very similar boxy shape and somehow makes it all about cuteness and fun.

Actually, if you spend a little time grinning at this thing, then [go have another look at the G-Wagen](#), that starts looking kind of cute too, except with an elongated fivehead.

Mercedes-Benz Gelandewagen: hardcore off-roader, now with all the frills

15 Dec 2017

It actually looks, though, like the new Jimny might be a little ripper of a thing in the rough stuff, with a part-time 4WD system and a low range transfer gear to help you crawl through rugged terrain.

There are no motor specs available, but we'd expect something small, simple and frugal to round out a lightweight package we'd expect to be so affordable you could buy a handful for the price of a G-Wagen.
