

Africa Shared Value and ESG Summit 2024

Announcing the 2024 Africa Shared Value and ESG Summit, a transformative event shaping the African business landscape. In partnership with the Africa Shared Value Leadership Summit and ESG Africa Conference, the summit is scheduled for October 24-25, 2024, in Nairobi, Kenya.

The summit aims to highlight the integration of Shared Value principles with ESG initiatives, fostering economic transformation in Africa. "When Shared Value meets ESG, companies don't just succeed; they lead a global movement towards positive change," says Tiekie Barnard, CEO of Shift Impact Africa and the Shared Value Africa Initiative. "This collaboration signifies the heartbeat of our mission."
