

Habari Media's #Tuongee2014

Habari Media's Tuongee 2014 featured hot digital topics by innovators, creators and propeller heads alike. Aptly titled 'Back to the Future' the conference delivered on the past, present and future of digital.

Over the course of the two days, delegates heard from a diverse range of digital specialists that included Andre van Assche and Tej Rekhi from Sizmek, Lunga Ngcime from Unilever, Byron John from Habari Media, Cobie van Jaarsveld from Cadreon and Mike Sharman from Retroviral. During this time, some golden threads of information emerged over the sessions.
