

Global Trade Show of Networking and Match-making South Africa 2017

Issued by [Ex-Easy Network & Technology](#)

13 Jul 2017

For three days from 30 July producers, buyers, distributors and users will converge on Gallagher Convention Centre to find what's new or improved about retail products. Chinese manufacturers are the highlight of the show.

Date: 30 July - 1 August 2017; 10h00-16h00

Venue: Hall 5, Gallagher Convention Centre, Johannesburg

Global Trade Show of Networking and Match-making South Africa 2017 (GTS South Africa 2017), aims to attract at least 300 exhibitors and more than 5,000 visitors from around the globe. GTS South Africa has two sub-brands, including Tools and Build Show (TBS) and Household and Appliances Show (HAS).

The exhibition organiser will pay special attention to exhibition services such as match-making, networking, workshops on trade, cross-border industry co-operation, channel construction and other business areas related to the exhibition and trade in this industry.

The show will be co-organised by the African Chambers Association, Randburg Chamber of Commerce and Industry

(RCCI), Southern Africa Chinese Entrepreneurs Association and Ex-Easy Network & Technology Co., Ltd, with City of Johannesburg, Joburg Market, Small Enterprise Development Agency, Gauteng Growth and Development Agency who will support the GTS organising committee.

China's involvement is the highlight of the show. South Africa's largest trade partner is implementing the "Belt and Road Initiative". There are 120 companies coming from China.

Workshops during the show add more value to visitors. Hot topics, such as *How to find reliable Chinese suppliers?* and *How China's Belt and Road Initiative Works*, bring more opportunities to African companies.

Opportunities for local buyers

- Meet over 300 exhibitors.
- Obtain updated industry information and find new products.
- Source Chinese manufacturers with reliable and quality products.
- Informative workshops to find reputable Chinese suppliers and to do business with them. Learn more about the Chinese Belt and Road Initiative.
