Thirst Bar Services have not slowed down this summer with events countrywide through our JHB, Cape Town and our new Durban office, Thirst are setting the pace in the mobile bar industry.

## **Sexpo-Durban**

Thirst has only been in Durban a couple of months but their reputation has preceded them after being awarded the Sexpo Bar Service at the ICC in Durban. The sexpo took place over four days and over 24 000 people attended over that time period. The Thirst team handled the crowd like pros and the event went very smoothly, behind an 18-meter bar, with the usual top Thirst service and drinks that South Africa has become accustomed to.

## **Harley-Davidson Dark Custom Launch - Cape Town**

Harley-Davidson launched their Dark Custom motorcycles at the Mandela Rhodes place in Cape Town; with over 200 people attending, Prime Circle as the band and with guests like Billy Zane of Titanic, Thirst Bar Services were once again providing drinks and service of an international level.

The event was managed by Mint Events.
