

Nando's to the rescue! Good news for Juju!

With all the trouble he's been in recently, you have to feel for the guy... Suspended, suspended suspension... Frankly, the suspense was killing us here at Bizcommunity.com. But help is at hand, thanks to Nando's!

That's right, the fast-food chain with a heart of chi... sorry, gold... has a new advertisement out that is sure to give Julius Malema, and our friend Floyd even, a smile and a greasy finger, and... naturally... a full tummy.

Julius, enjoy... you have been served.

The tactical viral ad was released by Black River FC early yesterday evening, Thursday, 10 November 2011.
