

WAN-IFRA Press Freedom Day campaign

World Press Freedom Day will be commemorated on Monday, 3 May 2010, by press organisations worldwide.

The World Association of Newspapers and News Publishers (WAN-IFRA) has made available a package of various materials available free of charge for publications focusing on the theme, "Journalists in Exile". WAN-IFRA has made available essays, opinion pieces, interviews, infographics, editorial cartoons, photographs, advertisements and more for publication, available in English, French, Spanish, German and Russian, on or around 3 May, and has added protest letters that readers can send to governments in countries where intimidation and attacks on journalists are widespread.
