

Win tickets to the Rugby World Cup 2011

Land Rover South Africa joins in the Rugby World Cup 2011 festivities as they launch a nationwide consumer competition for 11 lucky winners to witness a day in rugby history at this year's Rugby World Cup 2011 in New Zealand in September.

Winners of the all-inclusive double hospitality tickets will join Land Rover, Official Vehicle Sponsor of Rugby World Cup 2011 at the opening ceremony and match between New Zealand and Tonga on the 9 September at Eden Park in Auckland, as well as the first Springbok match against Wales at Wellington Regional Stadium in Wellington.

To further demonstrate their support for the Rugby World Cup, Land Rover South Africa has welcomed John Smit, World Record holder in international test matches for the most capped Captain, most capped hooker and most capped Springbok forward. Smit joins Bryan Habana who holds the record of the most tries scored in a World Cup tournament and IRB International Player of the Year in 2007, as National Land Rover Brand Ambassadors.
