

# Cannabis Expo makes its way to JHB

The Cannabis Expo will be held at the Sandton Convention Centre in Johannesburg from 28 November to 1 December 2019.

More than 100 exhibitors will be showcasing.

## All things cannabis

Visitors to the expo will be able to engage in authentic and exciting business and networking opportunities, connect with various industry experts in the medical field, agricultural platform, lifestyle brands, Cannabis Food Market and more.

Various stage speakers will provide their expertise and share the knowledge every half hour on various cannabis-related topics. It will be four days of education, covering an array of topics allowing attendees to immerse themselves and participate in a series of educational and informative sessions.

The Cannabis Convention will be also be launched. This will be the largest and comprehensive cannabis convention to take place in Africa, with global industry leaders and local government representatives from across the sub-Saharan region taking part in panel discussions and presenting talks on a wide range of cannabis-related topics.
