

Long Beach celebrates a year of success

World Leisure Holidays has announced that its Long Beach Resort is celebrating its first year of fine service and all-round success.

Since the resort's grand opening in April 2011, there has been an impressive flow of happy guests through Long Beach's doors and the accommodating and hosting of many groups, events and weddings.

Long Beach has gained a reputation for world-class levels of service and quality, and for having a staff base that takes great pride in the resort and its smooth operation.

This excellence has seen Long Beach Resort's first year being recognised with two awards:

- The respected *Hotel & Lodge* publication acknowledged Long Beach with its esteemed Best Resort award.

Both World Leisure Holidays and Long Beach Resort are celebrating a birthday of triumph. Part of the happy celebrations is a superb 'pay for five nights, stay for seven offer'. More information on this amazing deal is available at www.wlh.co.za.
