High-energy performance

Minnie Mouse, Donald Duck and Goofy join Mickey Mouse in a high-energy performance that is a modern take on the film that started it all, *Steamboat Willie*. With some help from the audience, Mickey and pals venture through the various Disney worlds sharing meaningful moments from treasured tales spanning generations to determine what their favourite memory of all time is.

As Mickey looks back on unforgettable Disney moments, families will be taken on a high-seas adventure with Moana for the first time in South Africa as she displays courage to save her island, journey to the wintry world of Arendelle as royal sisters Anna and Elsa discover true love is the most powerful magic of all, and experience the mysterious magic of Fantasia as a Sorcerer's Apprentice makes brooms come to life.

The Emotions – Joy, Sadness, Anger, Fear and Disgust – from Disney and Pixar’s *Inside Out* make their *Disney On Ice* debut as the hosts of the show relive classic and contemporary Disney stories in an emotional rollercoaster with Mickey and the gang. Fans will find themselves under the sea with their favourite, forgetful blue tang, as Dory embarks on a life-changing journey to find her family.

Audiences will also join the Disney Princesses as they use perseverance, determination and hard work to inspire Mickey and children around the world to celebrate their favourite Disney memories. As the show builds to the finale, fans will have the opportunity to vote and pick outfits for Mickey and Minnie to wear during the final celebration.
