The 23rd Annual BASA Awards, partnered by Hollard, are once again shining a spotlight on indelible business and arts partnerships in seven categories.

Every year is a celebration of the power of these collaborations but, as BASA CEO Ashraf Johaardien notes, this year they are more important than ever: “As the country and the world try to navigate uncharted territory, and we attempt to reboot following the effects of the Covid-19 pandemic, it’s critical that we focus on stories that matter, and that we continue to offer this platform for acknowledging achievements and showcasing successes.”

This year’s theme – INDELIBLE – recognises these partnerships and their endurance, and we are thrilled to announce the 20 finalists in this year’s seven Awards’ categories:
