

## ABF Golf Day

The Advertising Benevolent Fund golf day was held on the 16 May at the Wanderers Golf Club. We had a full field playing in the day with 128 golfers participating. Our two media sponsors who each provided 100k respectively, Primedia Outdoor and Oracle Airtime Sales, ensured that we were able to raise 80k. Oracle Airtime Sales was presented with an award by the ABF for their continued support throughout the years. New ABF President, Greg Steward, presented the prizes. We were honoured to have Dan Retief talking rugby to the guests which added an element of excitement to the proceedings. The ABF would like to thank their sponsors, without whom these fund raising events would not be possible.
