

GoodLuck, Freshlyground added to 2018 Get Lucky Summer lineup

The Get Lucky Summer NYE Party will be held at the Robberg Rugby Club lawns in Plettenberg Bay on 31 December 2018. Electronic trio GoodLuck, Freshlyground, dance musician Kyle Watson, and folk-pop band Rubber Duc have all been added to this year's performance lineup.

"Last year was incredible and while some may have wondered how we'd manage to top our first NYE show, this year we're going even bigger to ensure that we bring our audience the most spectacular New Year's Eve experience and celebration Plett's ever seen," says event organiser Scott Kleinschmidt.

"We have an amazing mix of SA's best live artists and bands in the heart of one of the country's most beautiful holiday towns. So, we're pulling out all the stops to make this another special event," he adds.

The Get Lucky Summer NYE celebration promises to be another magical night that audience members won't forget. Set under the Garden Route stars in the heart of Plettenberg Bay with fully-stocked bars and facilities, an exclusive VIP viewing deck, delicious tasty treats from the variety of food trucks, and world-class live music entertainment.

More information about the rest of the season's events and the lineup is expected to be announced soon.
