Dunlop Tyres South Africa renewed its partnership with the wildly popular adventure television series, Mal Kamper (Crazy Camper), which made its television debut last year and was back for a second season this year. The 13-episode Season 2 aired on kykNET (DStv channel 144), following intrepid adventurer, Dewald Visser, as he embarked on a thrilling journey through some of the most uncharted territories in South Africa.

Viewers tuned in eagerly to track Visser's adventures across the rough and rugged terrain of South Africa in his fully equipped Suzuki Jimny and trailer, fitted with Dunlop tyres.

Sumitomo Rubber South Africa (SRSA), which manufactures and distributes the iconic Dunlop tyre brand, is a strong supporter of South Africa's tourism sector, encouraging locals to take the road and explore all that the country has on offer.

“ As a brand, Dunlop has always been passionate about adventure and the great outdoors, and we believe that Mal Kamper perfectly embodies this spirit of adventure. ”

– Lubin Ozoux

CEO Lubin Ozoux said, “We were thrilled to continue our partnership with Mal Kamper for a second season. As a brand, Dunlop has always been passionate about adventure and the great outdoors, and we believe that Mal Kamper perfectly embodies this spirit of adventure. We loved seeing our Grandtrek AT5 tyres put to the test as Dewald took on some of the most challenging roads and off-road terrain in the country.”

Dunlop, through its Grandtrek range of SUV and 4x4 tyres, boasts an extensive choice of durable and reliable SUV and 4x4 tyres, which are perfect for a safe and comfortable ride, whether you're taking on offroad or urban adventures.

Mal Kamper takes on the road with Dunlop

Visser, a creator and presenter of outdoor lifestyle, adventure, sport, and travel content, has been travelling South Africa and the world for two decades, but was relatively new to camping when he filmed Season 1.

"We had some thrilling adventures in this new season and can't wait for viewers to see what more we have in store for them," said Visser.

"Our partnership with Dunlop Tyres South Africa has been a key part of our success, and we were excited to once again have their support as we took on some of the most challenging landscapes in the country. We hope to inspire viewers to embrace their sense of adventure and explore the beauty of South Africa's great outdoors," he added.

With its stunning landscapes, diverse wildlife, and breathtaking natural beauty, South Africa is a country made for adventure. From overlanding in remote locations, to river adventures, desert escapades, off-road cuisine and getting the adrenaline pumping with some exhilarating outdoor activities, Visser and his Dunlop Grandtrek tyres took on snow, water, mud, sand and mountains with ease.

The second season of Mal Kamper is aired on kykNET (DStv channel 144) every Saturday evening at 6.30pm from 7 January until 1 April 2023. Repeats are shown every Sunday at 12.30pm, Monday at 2.30pm, Tuesday at 4pm and Friday at 9.30pm.

Viewers can also catch up on missed episodes on DSTV Catch-up and the DSTV Now app. The first season of Mal Kamper is also still available on Showmax.
