

Bowmans kicks off 2019 with eight new senior appointments

Bowmans made eight new senior appointments across its geographical footprint to start the new year on a positive note.

The Law African firm appointed Johannesburg-based partners Daniel Pretorius, Heather Manson and Mogola Makola and Durban-based tax executive Yasmeen Suliman; Nairobi-based senior managers Winnie Jumba and Kathryne Maudu; and Durban-based senior tax advisors Anushka Govender and Bruce Bosch.

Robert Legh, the chairperson of Bowmans, says the firm made the appointments predominantly to ensure that it is well positioned to support its clients across its geographical footprint in the coming years.
