Independent measure

International finance publication *Euromoney* annually surveys the opinions of real estate advisors, developers, investment managers, corporate end-users and banks worldwide to determine the best providers of real estate services. Industry professionals from more than 160 countries participated in this year's survey.

Group CEO Malcolm Horne comments: “The *Euromoney* Awards are important because they are an independent measure of how the international market perceives our performance and speaks to the relationships we have built and service we deliver to our clients across Sub-Saharan Africa. “I am proud that our business and staff have received this acknowledgement from a reputable independent source.”
