

What a pleasure to wake up to Alex on 94.7 now that the Rude Awakening team is on leave!

Alex Jay's witty commentary, music knowledge, all-round pleasant personality and sexy voice make for a welcome change to the vulgar, offensive and inane twaddle that emanates from Jeremy and his laughing hyaena team.

They are an insult to anyone of average intelligence and a bad reflection on the citizens of Jozi. Is it not time to retire them and put Alex in the morning slot?
