In keeping with the Loeries commitment to 'Reward, Recognise, Inspire and Foster Creative Excellence', we will be adding to the already phenomenal speaker lineup by bringing creative strategist Rani Bisal to share her insights with the creative community.

She is currently the Executive Head of Business Optimisation at DStv Media Sales in sub-Saharan Africa and collaborates with the CEO on designing future business models.

As the Loeries CEO Preetesh Sewraj highlights: "I am delighted to have the support of DStv Media Sales in a year when the industry needs innovative insights into how we can ensure a robust creative ecosystem. Rani has incredible insights in this key area. DStv has been a valuable partner over the years and I am excited to continue working with them to further support the brand communication industry"
