

Famram Solutions hands over PrincessD Menstrual Cups at Spearman Primary School

Famram Solutions founder and CEO Shamila Ramjawan recently handed over PrincessD Menstrual Cups to students at the Spearman Primary School in Sydenham, Durban. An educator from the school, Shamilla Singh, had made the sponsorship request, which was honoured by the United States of America Organisation of World Leaders, the Orchids and Famram Solutions as part of the "keeping girls in school" project.

A division of Famram Solutions, PrincessD Menstrual Cup manufactures an alternative sanitary product to tampons and pads, the cup is made from 100% medical grade silicone and is reusable for 10 years.
